Login(Web)

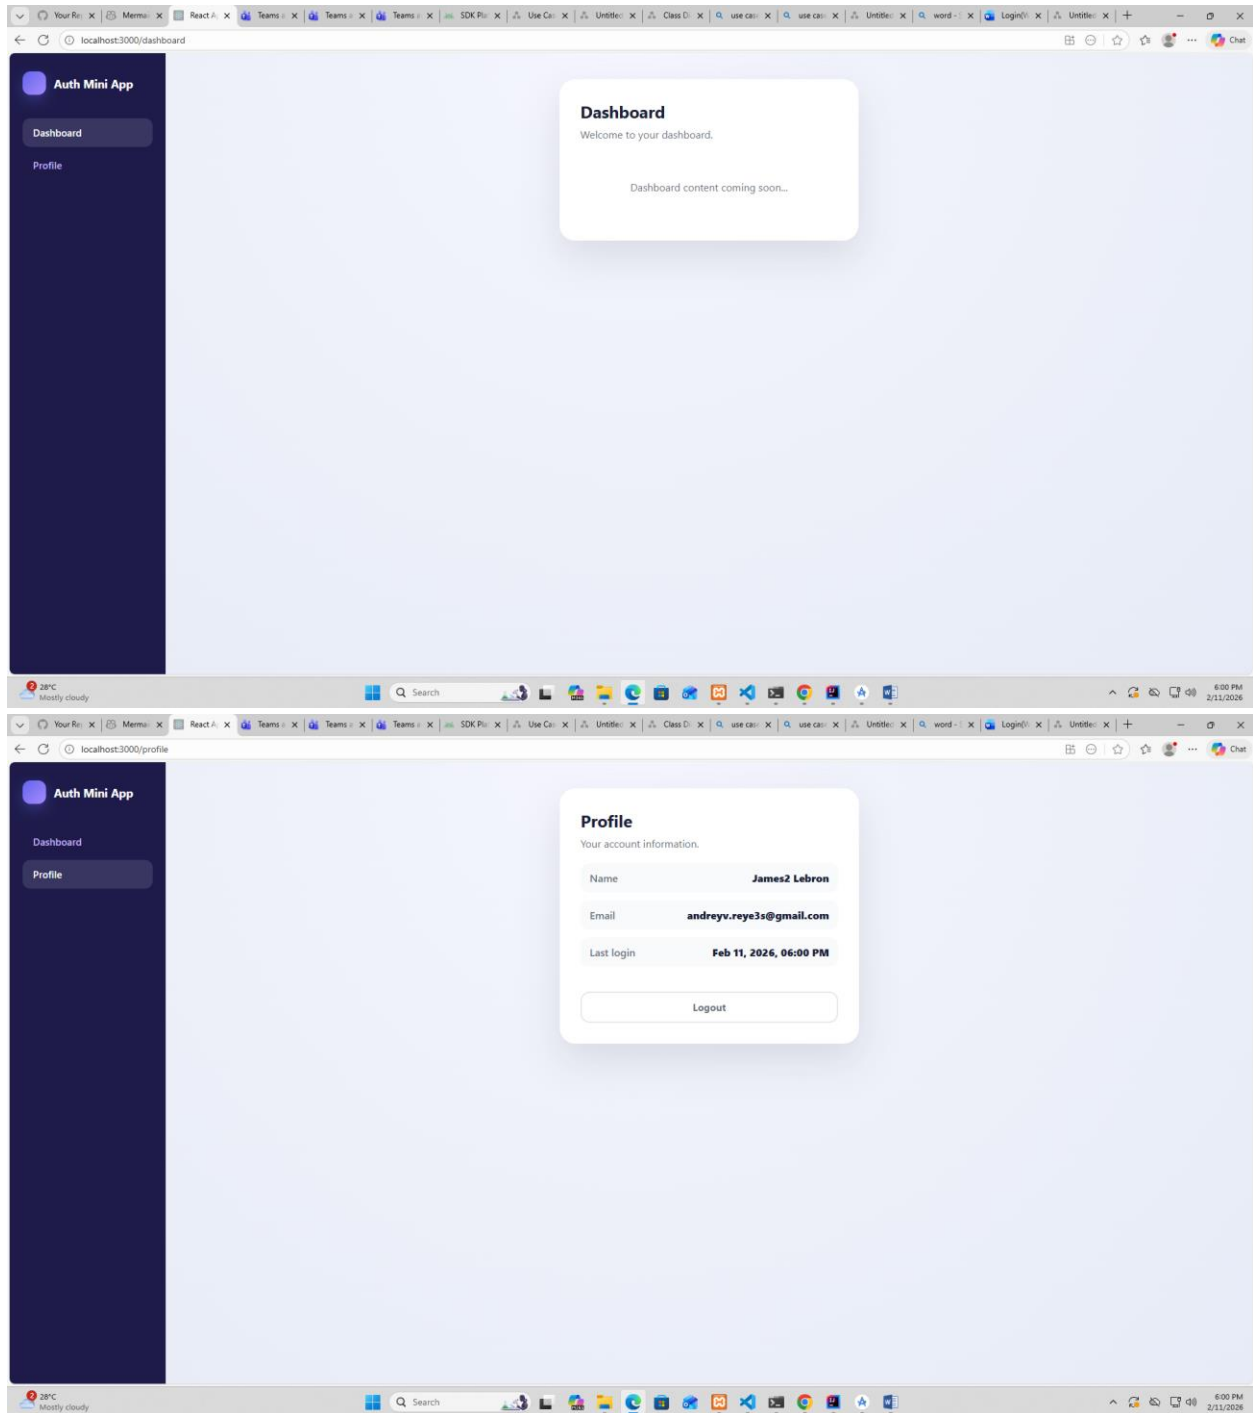

The screenshot shows a web browser window with the URL `localhost:3000/login`. The page features a light blue background with a purple logo and the text "Auth Mini App" and "Secure login and protected dashboard" in the top left. In the top right, there are "Login" and "Register" buttons. The main content is a white card titled "Welcome back" with the subtitle "Sign in to access your dashboard." It contains two input fields: "Email" with the value `andreyv.reye3s@gmail.com` and "Password" with masked characters. Below these is a purple "Login" button. At the bottom of the card, it says "No account yet? Create one". The browser's taskbar at the bottom shows the system clock as 5:59 PM on 2/11/2026.

Register(Web)

The screenshot shows a web browser window with the URL `localhost:3000/register`. The page layout is identical to the login page, with the "Auth Mini App" header and "Login/Register" buttons. The main white card is titled "Create your account" with the subtitle "Register to access your dashboard." It features four input fields: "First name" (value: `Juan`), "Last name" (value: `Dela Cruz`), "Email" (value: `you@example.com`), and "Password" (value: `Create a password`). Below the password field is a "Confirm password" field with the value `Repeat your password`. A purple "Register" button is positioned below these fields. At the bottom of the card, it says "Already registered? Sign in". The browser's taskbar at the bottom shows the system clock as 6:00 PM on 2/11/2026.
